EXHIBITOR CONTRACT PROVISIONS & INFORMATION

1. **CONTRACT FOR SPACE.** By submitting this Application and Exhibit Space Contract (“Contract”), the undersigned Exhibitor agrees to abide by the terms and conditions of this Contract, the Exhibitor Registration Form, the IECA Booth Selection Form as well as the rules and regulations and decisions of the International Erosion Control Association (“IECA”). Exhibitor further agrees to be bound by the terms and conditions of any applicable agreement(s) between Exhibitor and GES Exposition Services (“GES”) or its successors in interest, the official show contractor for the IECA’s Environmental Connection 2013 (“Show”) as well as the agreement between IECA and the Town and Country Resort & Convention Center (“Hotel”). Acceptance of an Exhibitor’s application does not imply endorsement by IECA of the applicant’s products or services, nor does rejection imply lack of merit of the product, service or company. IECA has the sole right to determine eligibility of any company, product or service for inclusion in the Show and retains the right to cancel the Contract at anytime if the exhibit is deemed to be contrary to the best interests of the show. IECA has the right to move any Exhibitor’s location in the exhibit hall for any reason. In such cases, the affected Exhibitor(s) will be notified as promptly as possible. The application for space constitutes a contract for the right to use the space.
2. **SPACE ASSIGNMENT.** Exhibit space will be assigned according to the order in which payment is received from exhibitors. Exhibit space will not be held or reserved until a deposit payment is received. After September 4, 2012, full payment must be received. Every effort will be made to accommodate Exhibitor’s request for location preference as indicated on the Exhibitor Registration form.
3. **EXHIBIT BOOTHS.** Standard booth background and side rails, decorated with background drape and uniform two-line signs are provided without charge to Exhibitor. Booth backgrounds are eight feet in height, and divider rails are three feet in height. The expo hall ceiling height is 26 ft at the lowest point. Exhibitor shall not obstruct the view of adjacent booths of other Exhibitors. The Exhibitor, at its own expense, will provide all other furnishings, equipment, facilities, and other items related to the booth and assigned space. Additional display accessories (electricity, carpeting, furniture, plants, supplemental lighting and audio/visual equipment) are available in the Exhibitor’s service kit. IECA and GES reserve the right to pass through to Exhibitor all costs incurred by GES or IECA as a result of any utility rate or fuel price increases due to surcharges or shortages in supply.
4. **USE OF EXHIBIT SPACE.** Exhibitor may not sublet, assign, or apportion any part of the space allotted, or represent, advertise, or distribute literature for the products or services of any other firm or individual except as approved in writing by IECA. The purpose of the Show is to inform and educate IECA members regarding characteristics and uses of the products and services. Cash and carry sales are not permitted. Exhibitor shall be responsible for compliance with all federal, state and local laws concerning licensing, collection and remittance of any taxes. Exhibitor shall not use or occupy the Premises, or permit the use or occupancy of the Premises, in any manner or for any purpose which; (a) would violate any law or regulation of any applicable governmental authority, or the provisions of any applicable governmental permit or recorded document; (b) would adversely affect or render more expensive any fire or other insurance maintained by the Hotel for the Premises or any of its contents; (c) might impair or interfere with any of the services and systems of the Premises, including without limitation, the Premises’ electrical, mechanical, fire

and life safety, structural, plumbing, heating, ventilation and air conditioning systems (collectively, the "Premises' Systems") or the janitorial, security, and building maintenance services (collectively, the "Service Facilities"). Exhibitor shall not permit the premises to be used for lodging room or for any improper, immoral, illegal or objectionable purpose. Exhibitor shall reimburse the IECA for any cost incurred by the IECA in enforcing this provision or as a result of Exhibitor's breach hereof. Exhibitor shall procure and maintain any license or permit required for the lawful conduct of its business or other activity on the Premises, submit such license or permit for inspection by IECA if so requested, and comply at all times with all terms and conditions thereof. Exhibitor shall be responsible for the proper care, handling, security, removal and disposal of all hazardous materials entered upon Hotel premises by Exhibitor as required by current Environmental Protection Agency or other applicable federal, state or local standards in effect at the time of occupancy. Upon request by IECA, Exhibitor shall provide proof of the method of transportation and disposal of the hazardous materials. Any costs associated with the transportations or disposal of materials left on the Premises will be paid by Exhibitor.

5. **INSTALLATION & DISMANTLING.** IECA reserves the right to set the time for installation of booths prior to the Show opening and for removal of booths after conclusion of the Show. Installation of all exhibits must be fully completed at least 2 hour prior to Show opening. Exhibitors who do not meet this deadline will not be allowed to continue setting up until 2 hours prior to the next day's Show hours. Any space not claimed by 3 hours prior to opening time of the first day of the Show may be resold or reassigned by IECA without refund. Exhibits may not be packed, removed or dismantled before the close of the show. Exhibits and all other furniture, equipment, business and trade fixtures, free-standing cabinet work, movable partitions and other articles of personal property must be removed by the exhibitor from the premises no later than February 13, 2013, 8:00 pm. Exhibitor shall be liable for all storage and handling charges resulting from the failure to remove exhibit material from the hall prior to the conclusion of the dismantling period specified by IECA. In addition to any storage and handling charges for which Exhibitor is responsible as determined by IECA, IECA reserve the right to consider any property not removed by February 13, 2013, 8:00 pm as abandoned and the IECA may remove such property and dispose of the same in any manner or store the same in a public warehouse or elsewhere for the account of, and at the expense and risk of, Exhibitor. If Exhibitor shall fail to pay the costs of storing any such property after it has been stored for a period of thirty (30) days or more, the IECA may sell any or all of such property at public or private sale, in such manner and at such places as the IECA, in its sole discretion may deem proper, without notice to or demand upon Exhibitor. In the event of such a sale, the IECA shall apply the proceeds thereof, first, to the cost and expense of sale, including reasonable attorneys' fees; second, to the repayment of the cost of removal and storage; third, to the repayment of any other sums which may then or thereafter be due to the IECA from Exhibitor under any of the terms of this Contract; and fourth, the balance, if any, to Exhibitor. GES shall be the exclusive provider of services at the Show; provided, however, that if any Exhibitor chooses to use its own contractor ("EAC") to provide any of the services that GES may otherwise provide, the Exhibitor must provide at least ten (10) days prior to the Move-In Date for the Show: (i) a written statement setting forth the identity and intended use of the EAC; and (ii) a certificate of insurance evidencing that EAC has in place the minimum insurance coverage required of GES and has named GES as an additional insured on the EAC's insurance policies, excluding worker's compensation insurance.

Booth representatives shall wear "exhibitor" badge identification furnished by IECA at all times. No admittance will be allowed to the Show unless an Exhibitor Badge is presented. Each 10x10 space receives two complimentary expo hall only passes for exhibitors to work the booth.

7. **CANCELLATION.** Exhibitor agrees that IECA will sustain certain losses if Exhibitor cancels this Contract after Exhibitor has been assigned exhibit space. Because of the difficulty of determining and proving such losses, Exhibitor agrees to pay the amounts set forth below as liquidated damages and not as a penalty in the event Exhibitor cancels all or part of its exhibit space. Exhibitors who cancel will be refunded their payment(s) according to the following schedule:

Cancellation prior to September 4, 2012 – Full refund

If Exhibitor operates sound motion picture equipment, record players, loudspeakers, or any other noise-creating devices, the Exhibitor shall do so only at a level, which will not interfere with other Exhibitors or add unduly to general acoustic inconvenience or IECA may require discontinuance of their use. Should the wording on any sign or area in Exhibitor's booth be deemed by IECA to be contrary in any way to the best interests of the Show, exhibitor shall make such changes as are requested by IECA.

All demonstrations of services or equipment, interviews, and other exhibit activities must be conducted so as not to infringe on the rights of other exhibitors or offend visitors to the Show.
