International **Erosion Control** Association

# What is eLearning?

- eLearning is IECA's pre-recorded, self-paced, web based training. This training can be accessed through our website, but will redirect you to our Learning Management System. You can print off a certificate for your Professional Development Hour(s) after completion of any course eligible for PDH time.

# IECA's Learning Management System (LMS)

- In order to access IECA's eLearning courses, you will need to connect to the Learning Management System. You can access the LMS through IECA's website, [www.ieca.org/elearning](http://www.ieca.org/elearning) or directly through the LMS website <http://ieca.crhosts.com/>
